

# Welcome to InTrust Knowledge Pack for Quest Active Roles Server

Quest InTrust Knowledge Pack for Active Roles Server is a link between Quest InTrust on the one hand and Active Roles Server on the other hand. It enables you to use the InTrust workflow to control the operation of Active Roles Server.

## Known issues

The following is a list of issues known to exist at the time of the InTrust 11.3.1 Knowledge Pack for Active Roles Server release.

**Table 1: Real-time monitoring known issues**

Known Issue	Issue ID
The <b>AR Server WI: Availability</b> real-time monitoring rule is matched if the Web Interface site uses any TCP port different from the default one (80), as if the Web Interface were not available.	B113361
The <b>AR Server WI: Availability</b> real-time monitoring rule does not work with Active Roles Server of versions prior to 6.0.3.	ST43222

## Upgrade and compatibility

This version of InTrust Knowledge Pack for Active Roles Server can be installed on InTrust Server 11.3.1 machines.

## Upgrade and compatibility

This version of InTrust Knowledge Pack for Active Roles Server can be installed on InTrust Server 11.3.1 machines.

## Getting Started

- [Contents of Release Package](#)
- [Installation Instructions](#)

## Contents of Release Package

1. The InTrust Knowledge Pack for Active Roles Server release package contains the following products:
2. Quest InTrust Knowledge Pack for Active Roles Server (installation package located in **Knowledge Packs\Knowledge Pack for Quest ARS\Server** in your InTrust distribution).

3. Quest InTrust Report Pack for Active Roles Server (QKP 2.0) (installation package located in **Knowledge Packs\Knowledge Pack for Quest ARS\Report Packs** in your InTrust distribution).

## Installation Instructions

To install InTrust Knowledge Pack for Active Roles Server, do one of the following :

1. Start **autorun.exe** in the root folder of the InTrust CD and select **Knowledge Pack for Quest Active Roles Server** on the **Knowledge Packs** tab of the Autorun application window.
2. Run **Knowledge Packs\Knowledge Pack for Quest ARS\Suite\aecdsuitelauncher.exe** to install the whole feature.
3. Alternatively, you can install the Knowledge Pack only, or the Report Pack only (by launching the corresponding installation package).

For more details, refer [Preparing for Auditing and Monitoring Quest Active Roles Server](#).

## We are more than just a name

We are on a quest to make your information technology work harder for you. That is why we build community-driven software solutions that help you spend less time on IT administration and more time on business innovation. We help you modernize your data center, get you to the cloud quicker and provide the expertise, security and accessibility you need to grow your data-driven business. Combined with Quest's invitation to the global community to be a part of its innovation, and our firm commitment to ensuring customer satisfaction, we continue to deliver solutions that have a real impact on our customers today and leave a legacy we are proud of. We are challenging the status quo by transforming into a new software company. And as your partner, we work tirelessly to make sure your information technology is designed for you and by you. This is our mission, and we are in this together. Welcome to a new Quest. You are invited to Join the Innovation™.

## Our brand, our vision. Together.

Our logo reflects our story: innovation, community and support. An important part of this story begins with the letter Q. It is a perfect circle, representing our commitment to technological precision and strength. The space in the Q itself symbolizes our need to add the missing piece — you — to the community, to the new Quest.

## Contacting Quest

For sales or other inquiries, visit [www.quest.com/contact](http://www.quest.com/contact).

## Technical support resources

Technical support is available to Quest customers with a valid maintenance contract and customers who have trial versions. You can access the Quest Support Portal at <https://support.quest.com>.

The Support Portal provides self-help tools you can use to solve problems quickly and independently, 24 hours a day, 365 days a year. The Support Portal enables you to:

- Submit and manage a Service Request
- View Knowledge Base articles
- Sign up for product notifications
- Download software and technical documentation
- View how-to-videos
- Engage in community discussions
- Chat with support engineers online
- View services to assist you with your product
